

# You can expect...

- To engage in mathematics **as a learner**
- To reflect on the process of learning and how best to create and support an inclusive and equitable mathematics classroom
- To look at how the mathematics ideas develop across the grades in *Investigations*, focusing on:
  - Number and Operations
  - Geometry
  - Data
  - Algebraic Reasoning
- To focus on one or two units at your grade level

**What can I expect this week?**
